Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

25 August 9, 2011

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**ADOPT, ADVERTISE, AND AWARD
RETAINING WALL CONSTRUCTION AND ROADWAY RECONSTRUCTION
EDGERIDGE DRIVE 100 FEET SOUTH OF DRAIN NO. 6
IN THE UNINCORPORATED COMMUNITY OF HACIENDA HEIGHTS
(SUPERVISORIAL DISTRICT 4)
(3 VOTES)**

SUBJECT

This action is to approve the project for the construction of a retaining wall and reconstruction of roadway pavement on Edgeridge Drive 100 Feet south of Drain No. 6, in the unincorporated community of Hacienda Heights; find the project statutorily exempt from the provisions of the California Environmental Quality Act; adopt the plans and specifications; call for bids; and authorize the Director of Public Works or her designee to award, execute, and implement a construction contract with the apparent responsible contractor with the lowest responsive bid.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this project is statutorily exempt from the provisions of the California Environmental Quality Act.
2. Approve the project and adopt the plans and specifications that are on file in the Construction Division of the Department of Public Works for Edgeridge Drive 100 Feet south of Drain No. 6, retaining wall construction and roadway reconstruction, in the unincorporated community of Hacienda Heights, at an estimated construction contract cost between \$335,000 and \$455,000.
3. Instruct the Executive Officer of the Board of Supervisors to advertise for bids to be received and opened on September 8, 2011, in accordance with the Instruction Sheet for Publishing Legal

Advertisement.

4. Authorize the Director of Public Works or her designee to award, execute, and implement a construction contract with the apparent responsible contractor with the lowest responsive bid within the estimated cost range, approve the Faithful Performance and Labor and Material Bonds and insurance submitted by the contractor, and deliver the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of the project from your Board; adopt the plans and specifications; advertise for bids; and authorize the Director of Public Works (Director) or her designee to award, execute, and implement a construction contract with the apparent responsible contractor with the lowest responsive bid for the construction of a retaining wall, reconstruction of existing roadway pavement, and the performance of other appurtenant work.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The recommended actions will help achieve these goals by providing a safe and improved roadway for community residents and visitors.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated construction contract cost to complete this project is in the range of \$335,000 to \$455,000. The total project cost is estimated to be \$690,000. In addition to the construction contract cost, the total project cost includes the costs of preparation of plans and specifications, consultant services, survey, materials testing, inspection, contract administration, change order contingency, and other County services.

This repair is necessary as a result of damage caused by the December 2010 rainstorms. We are seeking reimbursement for a portion of the project cost under the State disaster assistance program. Funding for this project is included in the Fourth Supervisorial District's Road Construction Program in the Fiscal Year 2011-12 Road Fund Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for the construction of a retaining wall and reconstruction of existing roadway pavement, is part of the Department of Public Works' (Public Works) ongoing program for the construction of roads and highways. It will be advertised in accordance with Section 20392 of the State Public Contract Code.

This project is to be completed in 60 working days. It is estimated the work will start in November 2011 and be completed in February 2012.

Delegating to the Director or her designee the authority to award, execute, and implement this construction contract allows an expedited contracting process to meet a State funding deadline.

The contract agreement will be in the form previously reviewed and approved as to form by County

Counsel.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: the County of Los Angeles' (County) Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the Los Angeles County's Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

This project is in a disaster-stricken area in which the Governor declared a state of emergency and is statutorily exempt from the provisions of the California Environmental Quality Act pursuant to Section 21080(b)(3) of the Public Resources Code. This exemption provides for the repair of public works facilities damaged or destroyed as a result of the disaster.

CONTRACTING PROCESS

This project will be contracted on an open-competitive bid basis. The award by the Director or her designee will be made after review of the bids and determination of the apparent responsible contractor with the lowest responsive bid meeting the criteria established by your Board and the State Public Contract Code.

To increase contractor awareness of Public Works' program to contract work out to the private sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

When the project is completed, it will have a positive impact by providing a safe and improved roadway for community residents and visitors.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division.

Respectfully submitted,
